On April 15, 2016 Mechanicsburg (OH) High School Wrestler and Football player, John Samples, was in a terrible car accident. His injuries were very severe; the worst being that John suffers from a Traumatic Brain Injury (TBI). These injuries have been, and will continue to be, life changing for John and his family. John has beaten many odds along his road to recovery, but will still need continued medical care and extensive dental work over the next several years. The power of prayer has been an amazing thing!
